DICHIARAZIONE DI CONFORMITÀ

We hereby declare that the following articles:

4EPKSM600007	LASTRA EPK 0,5 NR 700X1000 o.
4EPKSM600006	LASTRA EPK 0,8 BI 700X1000 o.
4EPKSM600002	LASTRA EPK 0,5 NT 700X1000 o.
4EPKSM600004	LASTRA EPK 0,3 BI 700X1000 o.
4EPKSM600005	LASTRA EPK 0,5 BI 700X1000 o.
4EPKSM600001	LASTRA EPK 0,3 NT 700X1000 o.
4EPKSM600003	LASTRA EPK 0,8 NT 700X1000 o.
4EPK006875	LASTRA EPK NT 1,2 700X1000 o.

supplied by Karton S.p.A., complies with the following European Food Contact Legislation:

- **Regulation (EC) N° 1935/2004** of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food and repealing Directive 80/590/EEC and 89/109/EEC and subsequent amendments;
- Commission **Regulation (EU) N° 10/2011** of 14 January 2011 on plastic materials and articles intended to come into contact with food and subsequent amendments.
- Commission **Regulation (EC) N° 2023/2006** of 22 December 2006 on good manufacturing practice for materials and articles intended to come into contact with food and subsequent amendments.
- **Directive 94/62/EC** of 20 December 1994 on Packaging and Packaging Waste and its amendments regarding the respect to the heavy metals content limit because the overall concentration of cadmium, mercury, lead and chromium VI is lower than 100 ppm (w/w).

And Italian Legislation:

- **Decreto ministeriale (D.M) - 21.3.1973**, Disciplina igienica degli imballaggi, recipienti, utensili, destinati a venire in contatto con le sostanze alimentari o con sostanze d'uso personale, e Successivi adeguamenti. (*Hygienic discipline regarding packaging, containers, tools intended to come into contact with foodstuff, and subsequent amendments*).
- **DPR777/82** and subsequent amendments.

The above-mentioned Products supplied by Karton S.p.A. are manufactured with the following raw materials: virgin polypropylene (PP), linear low-density polyethylene (LLDPE), antioxidant additive and colour master – the latter only for white articles.

The material is suitable to be used in contact with foodstuff for which global and specific migration tests are not mandatory (indirect contact with foodstuff).

Please note that the above-mentioned Product contains food additives authorized and subject to restriction for use in food under Regulation (EC) 1333/2008 or under Regulation 1334/2008. The nature of such substances can be unveiled if required.

Further information

The information provided with this declaration is true and accurate at the best of our current knowledge. This declaration is valid for maximum 12 months from the date of emission; it will be substituted whenever any change that could affect the essential conformity requirements will be introduced, or whenever the legal requirements will be modified and/or updated in a way that will require a further verification conformity-wise.

Please note that it is a responsibility of the end user to verify that the products are suitable for the intended use in compliance with applicable European Legislation and to verify that the products are fit for the intended technological use.

This declaration does not cover further converting or printing treatments or other processes not under Karton responsibility.

Please do not hesitate to contact us in case you need any further information.

Best regards,

Cristina Zilli
